

01 THE NAME

KozyCare

The brand is **always two words — KozyCare** — exactly as it appears on the website. **Kozy** alone never appears in customer-facing copy, signage or collateral. Capitalisation may follow the setting: title case **KozyCare** (web, documents) or tracked caps **KOZY CARE** (print, labels). The monogram K is an icon — not the name.

BRAND	KozyCare — two words, every use
LEGAL	Kozy Care Drycleaning & Laundry Services — documents & invoices
BANK	Kozy Cleaning Services Ltd — bank records only
WEB	kozycare.ng · @kozycare.ng email
ICON	The K monogram (avatars, favicons, embroidery, watermark)
NEVER	"Kozy" alone in public copy

02 THE LOGO — CORRECTED LOCKUPS

PRIMARY · TITLE CASE

Website header, documents, email chrome — matches the landing page exactly.

PRINT · TRACKED CAPS

Flyers, posters, cards — the collateral lockup.

COMPACT

Tight spaces — footers, social avatars with text.

MONOGRAM

Favicons, avatars, embroidery, corner anchor & watermarks.

03 THE THREE SERIES

SIGNATURE NAVY

Consumer retail. The approved original — flyers, posters, cards for everyday customer-facing use.

LIGHT SERIES

LIGHT

Bright settings. Same pieces on Kozy Cream — warm interiors, daylight notice boards, soft-print runs.

GOLD CORPORATE

GOLD CORPORATE

Institutional & B2B. Partnership language — scheduled collection, documentation, consolidated invoicing.

06 RULES

DO

- Write **KozyCare** — both words, every time
- Gold on navy; navy on cream or white; Deep Gold text on light grounds
- Keep the clearspace margin around every lockup
- Use supplied vector files (SVG / PDF) for print

DON'T

- Never "Kozy" without "Care" in public-facing copy
- Don't stretch, rotate, skew or re-colour the mark
- Don't add shadows, gradients or outlines to the logo
- Don't set light gold text on white — use Deep Gold or navy
