

Partnership-grade garment care. *Delivered to standard.*

Kozy Care provides scheduled collection, garment-specific cleaning and documented returns for organisations whose presentation is part of the promise they make — from daily linen programs to executive wardrobes. One accountable partner; one monthly statement.

SCHEDULED COLLECTION

Fixed weekly or twice-weekly collection windows that fit your operations. Your rider arrives on the agreed day, at the agreed time, every week.

DOCUMENTED HANDLING

Every item is condition-captured at collection and documented at return — a clean audit trail your team can rely on.

CAPACITY & TURNAROUND

Express service from 24 hours; regular service 3–5 days. Volume processed garment-by-garment under item-specific protocols.

CONSOLIDATED INVOICING

Per-kilogram and per-item pricing, one consolidated monthly statement, and a dedicated account contact for queries.

How the partnership *works*

01

ACCOUNT SETUP

We agree your collection schedule, pricing basis and contact channels — in writing.

02

SCHEDULED COLLECTION

Your rider collects at the fixed window. Items are counted and condition-captured on the spot.

03

PROCESSING

Garment-specific protocols — wash, press, finish — with documentation at every stage.

04

RETURN & INVOICE

Scheduled returns in sealed garment bags; one consolidated monthly statement.
